

GAE/NEA Presents A Great New Student Loan Forgiveness Webinar

NEA’s Student Loan Forgiveness Navigator powered by SAVI, is an online Federal Student Loan evaluation tool that helps you to determine eligibility for Federal Student Loan Forgiveness programs. GAE is offering an opportunity to learn all about this new tool via two scheduled webinars that will be hosted by Aaron Warner, NEA Member Benefits Specialist. Aaron will walk you through the steps needed to determine whether you are eligible for loan forgiveness.

This new tool is free for GAE members to use in order to safely, securely and reliably evaluate what your options are for Federal Student Loan Forgiveness with a trusted source, your national association (NEA Member Benefits).

Should the Student Loan Forgiveness Navigator determine that you are eligible for Federal Loan Forgiveness, you will be provided with two options. Option one is to file paperwork on your own to get your forgiveness, for free. Option two is to hire SAVI to e-file the paperwork on your behalf for an annual fee of \$29.95. Should you choose option two, you will also have access to discuss any questions you may have in a 1 on 1 consultation with a SAVI representative.
